S'no Joke Ski Club New Member - Annual Member Fees Schedule

Annual Member Fees are \$36 dollars per year (\$24 for an associate) and are based upon the calendar year from Jan 1 – Dec 31. New members pay a \$15 new member fee (NMF), which includes your flag for your ski pole and new member packet. Member Fees are prorated after March. All Annual Member Fees shown have the new member fee included.

From October through the remainder of the year, new members will pay for the remainder of the current year and the following year.

New Member - Annual Member Fees Table			
Current Month	New Member Fee	New Associate Fee	Membership good thru
January	\$51	\$39	Current Year
February	\$51	\$39	
March	\$51	\$39	
April	\$42	\$33	
May	\$39	\$31	
June	\$36	\$29	
July	\$33	\$27	
August	\$30	\$25	
September	\$27	\$23	
October	\$60	\$45	Current Year and Following Year
November	\$57	\$43	
December	\$54	\$41	

Example A: It's May and you're joining the club. Go to the left column, find May and the amount due in the next "New Member Fee" column.

That's \$15 NMF + \$24 prorated Annual Member Fee = \$39 total due to join and is good through the remainder of the year.

Example B – It's October and you're a couple. Find October in the left column, then look to the right and find the New Member Fee for you the new member and the New Associate Fee for your spouse/partner who will be the new associate member. The rates are \$60 and \$45 respectively.

That's \$15 NMF + \$9 prorated Member Fees for the remainder of the current year + \$36 for the following year = \$60 for the new member & \$15 NMF + \$6 prorated Annual Associate Fees for remainder of the current year + \$24 for the following year = \$45 for the new associate member. You can both join for \$105 and your Annual Member Fees will be paid through the following year.
