Description: This is a well-marked trail. It has many steps built on the trail by trail maintenance groups. It is shaded with open areas and views of Snow Mountain. We will be on the watch for blueberries. There are options to additional hiking: 1) explore the trail along the lake, and/or b) hike to an inlet on the lake which is an additional 3.6 miles roundtrip.

A refreshment stop on return is possible depending on the group's interest. Please note, prior registration through the S'no Joke ClubExpress website is required and group size will be limited to a maximum of 12 persons.

Directions to Money Creek Campground: The CG is just before the tunnel, on the right, on Hwy 2 East on the way to Stevens Pass. A large obvious sign is situated just before the tunnel. If you go thru the tunnel, you have traveled too far.
