

SKI HEAVENLY MOUNTAIN RESORT South Lake Tahoe, California

March 12-19, 2023

Few ski resorts can match Heavenly Ski Resort's scenic beauty and expansive network of lifts, terrain, trails, and snowmaking. Located in South Lake Tahoe on the California-Nevada border, Heavenly is the region's largest ski area, featuring the highest elevation at 10,067 feet and the longest vertical drop. With an average of 360 inches of snowfall per year, Heavenly gets some of the best snow in North America. Even better, bluebird days are enjoyed 300 days a year on average. Plus, the views of Lake Tahoe and the Sierra Nevada mountain range are magnificent. From wide-open groomed cruisers to 1,600-foot plunges in the double-black-diamond canyons and some of the most outrageous tree skiing in North America, there's something for everyone at Heavenly.

Off the slopes the fun never stops, you'll be walking distance from the gondola, all the apres ski, casino entertainment and gaming, restaurants, lively nightspots and music venues in the center of town.

We will fly into Reno, Nevada, take our own private charter into town where we'll spend
